FLASHBACK

A RETRO DANCE PARTY BENEFIT

Flashback is an over-the-top 80s and 90s dance party benefiting Austin Children's Shelter & SafePlace. Hosted by 101X duo Jason and Deb, Flashback celebrates the music, fashion and fads inspired by these totally awesome decades. Our DJ will have you shakin' it "all night long" to the hit dance music of the eras. With a killer costume contest, a silent auction and a dance contest that will make "everybody cut footloose," this evening is always one "thriller night."

LETTER FROM THE CHAIRS

We believe every member of our community deserves to feel safe and to live in a loving, nurturing home surrounded by healthy, happy, violence-free relationships. We believe that by working together, we can create a community that has no need of an emergency shelter for those hurt by abuse, neglect, and violence. This community cannot be realized without your support. We encourage you to join us by pledging your support to Flashback, a retro dance party benefiting Austin Children's Shelter and SafePlace.

With your support, we can reach this year's goals: to raise \$50,000 for strengthening families, survivors of child abuse/neglect, and survivors of sexual assault and domestic violence; and to introduce over 450 of Austin's finest, philanthropically-minded professionals to your company and brand.

Flashback is a unique opportunity to reach the young professional--a group intently focused on positively impacting their community--by reliving the fashion, fads, and music of the 80s and 90s. As a sponsor of Flashback, you'll enjoy high exposure to this important group of young professionals while positioning your brand and company an effective member of our community, dedicated to breaking the cycle of abuse in Central Texas.

We hope you will join us in supporting Austin Children's Shelter and SafePlace by becoming a sponsor of this rockin' event!
